Shape from Shading

Flat          Bump          Hollow
Upside-down picture reverses perceived depth from shading
Fashion and shape from shading

Stockings and jeans can make the legs look more rounded
how leg looks

Long optical path through gray Stocking darkens edges of leg
Side View loses the effect
Make-up

Celebrities need it too.
Britney Spears

Stars Caught Uh-Oh!

"Like many regular women, stars — including Cameron — get breakouts, too — a Hollywood insider."
Painted-on shadows can change the apparent shape of the face.

(only half the face was made up)
The end
